

# YS5-Red Cybersecurity in Malware Analysis Weekly Report

Connor Skidmore, Jonathan Tarrant, Andy Guo

Date: 10/21/2022

## Meeting Notes From This Week:

### Meeting 1 (Tuesday 10/18/2022 2 PM):

In this meeting we discussed the following:

- Progress on IEEE paper
- Need to add Dr. Shi to google site as editor
- Jonathan's progress on Pytorch to use for our AI/ML Programs

### Meeting 2 (Thursday 10/20/2022 2 PM)

In this meeting we discussed the following:

- Continued to work on research and code
- Discussed current state of deadlines and workload
- Discussed goals for next week

## Goals for Next Week:

- Near completion of research for our first milestone
- Have some AI/ML code completed for our Network Traffic Anomaly modules

Next Meeting: Monday 10/24/2022 5 PM
